Houghton and District Ramblers

Newsletter April 2015

Hi all. I'm sorry the newsletter is a bit late this month, things have been a bit hectic for me lately.

There was a good turnout of about 30 H&DR members at Don's funeral and I, for one, was surprised at all the things Don had done in his life.

I've not got much new to pass on this month but at least the weather is warming up and spring is finally on the way.

Just a little reminder about the calendar photo competition, you can submit up to three photos per H&DR walk, photos must be in landscape mode & taken with a camera or smartphone with a resolution of around 6 megapixel (I believe iphones are 5.5 or more and that is acceptable). Most smartphones fit the bill but hold them horizontal and not vertical. I can assist with the uploading and now the weather is getting better there's no excuses not start taking photos.

February Competition Results.

Judging was delayed as the judge had been issued a summons and had to attend court, not as suspect or witness, she was selected for jury service.

The winner for February was

Beatrice Whitehead

With around 800 photos to show in the gallery and that number increasing as the weeks go by, the public gallery is taking longer than I expected to get fully up & running so please bear with me (but keep sending me more lol), I'm hoping to be able to devote more time to it over the next month. Remember there is no limit for the gallery photos, send as many as you wish.

Well that's it for this month, hope to have a bit more news for you next month.
